“I just wanted to thank you for all you did for Family HomeStead to make Saturday night a special night. From the beginning your helpfulness has been greatly appreciated. The restaurant looked so lovely, the food was wonderful, and the wait staff could not have been nicer or done more for us. I have heard from so many people, all telling me what a good time they had and what a wonderful event it was. I hope that in the future we will be able to do another event at Palettes.”

- *Mary Ann, Family HomeStead*

“I want you to know how incredibly pleased we were with our lunch event at Palettes last Wednesday, March 5. You and your staff were not only attentive, professional, kind, and helpful, but you were also genuinely thoughtful, from the boxing up of leftover chocolates for us, to your personal offer to help us with our table centerpieces. We could not have held our event at a better place, and I would not hesitate to suggest Palettes to anyone desirous of having a successful event in Denver.

I look forward to the opportunity to work with you again one day in the future. We cannot thank you enough and hope you will share with your staff our complete gratitude. The work ethic is "spot on" at Palettes, and you should all be proud of the amazing job you are doing.

Oh, and one last thing -- I would be remiss if I failed to mention how wonderful the food was. It was simply superb!”

- *Ava, Colorado College*

”The lunch was great. Our clients enjoyed the meal very much. Because of your help we were able to put together an impressive meal and still keep our day on schedule. Everything was handled exactly as I had hoped for.

I have not had an occasion to bring private parties to Palette's but I will definitely be thinking about you when the need arises after having such a good experience.”

- *Zach, The Arrangers*

The amuse was delicious...steak tartar with truffle frites. I don't know whose idea it was, but we send a big thank you for thinking of including it with our lunch."

"My wife, Betsy and I had a lovely meal at Palettes on 03/23/07. Elizabeth was our waitperson (very capable and pleasant) I mentioned to her that I thought my corn soup could be warmer, but it was very good as is. Well, she said something to Wesley Parks who broke land speed records to our table. Most gracious and insisted the price for the soup would be deducted from our bill. Completely unnecessary, but greatly appreciated, and once again illustrating that good food and good service do go hand in hand - a signature of Kevin's operations."

- *Dennis, Cascade Financial Management, Inc.*

"Thank you and your staff for a wonderful event. As my partner mentioned to your manager that evening it was truly ran by professionals. I hope we get to visit again soon."

- *David, Winefellow LLC*
