

What our guests are saying...

“Our guests thought the whole experience was wonderful. We have all dined together before, but a number of the guests said this was their most memorable dining experience. The service staff was terrific, the food and wine were excellent and the entire experience, as noted before, was wonderful! Thanks for showing us such a great time!”

- Nona , Grandcell, Lebovitz, Standard, Barns and Runbns Law Firm

“The event was loved by all that attended. Every one mentioned that it was one of the best they had ever attended. Not sure what we could have done to make the event better. I would do it the same if I had to do it all over. Thank you for your help and I definitely will be planning another event at Kevin Taylor's in the future.”

- Richard, Oxy

“I just wanted to say thank you for pulling together such a wonderful dinner for my clients last week five hours before the dinner! That was so great of you and I really appreciate you taking the time to do that. They truly enjoyed themselves and were very impressed with the restaurant, the service, and of course – the food!”

- Sarah, Rocky Mountain Connections

“First, the service was unparalleled for any Denver restaurant that we have been too. Absolutely impeccable! And the food, of course, was outstanding. Our guests had a great time and it was worry free for us.

We will definitely be visiting your restaurant again soon!”

- Christl, Bride

“All I heard was ‘great food’ and even cooler wine room and definitely will consider hosting future events there! You were wonderful to work with.”

- Christy, Microsoft Corporation

“I am the assistant to Bill, president of a utility company in Missouri and he recently attended the EEI Conference which was held in Denver at the Grand Hyatt. He asked that I get a dinner scheduled for our people who were attending the conference. I called the consignor at the hotel and they recommended your restaurant. I was forwarded to Kim Hansen who helped me plan our dinner.

I just wanted you to know that when I called my boss the day after regarding the dinner, he said, "The room was perfect, the service was excellent and the food was delicious." Everything was perfect for the dinner and it was due to Kim's help. She was professional and courteous. She was excellent about making sure every detail was taken care of prior to the event. It means a great deal when you have someone in another state taking care of an event like you would.

Kim is an excellent rep for your restaurant! We (both myself and my boss) appreciated the excellent service!”

- Gail, Kansas City Power & Light Company

“The restaurant did a fabulous job! The guest absolutely loved it and raved about the food! My meal personally was fabulous! They were seated promptly and Toby was more than accommodating. Thank you again for pulling it together so fast for me! I really appreciate that. Please know that there is truly nothing negative I could say to help you improve! I hope you have a great rest of the day!”

- Sarah, Rocky Mountain Connections

“Everyone had such a great time and so many people come up to me to say what a wonderful time they had. A lot of people loved Prima and will be coming back for dinner. I didn't hear one negative comment, the layout was great for the size of party, everyone loved the food, and the cake was a hit. People are still telling me how great the cake was!! We even had people writing down the wine selections, so they could order it later. Thank you for all your help on making our wedding reception a wonderful evening for all of our guests.”

- Erin

Everything and everyone was fabulous! That's one of the many great things about working with you guys – you're first class and I never have to worry about things being served on a timely basis, attentive service etc., etc.

Please give everyone my thanks!

- Fiona, The Arrangers

“We received many positive comments about the lunch we hosted this past Monday. I don't recall the name of the young man who looked after us during the luncheon, but he did an excellent job. He was attentive without hovering, very polite and very professional.

The food was wonderful, and the presentation was great. I am not sure when my next event will occur in Denver, but we were well served.

Thanks so much for all that you did to make this event a success for us.

- Sarah, Indiana University

“We enjoyed the conference and had rave reviews on the hotel and dining. I appreciate your time and all you did for our group! Thanks again!”

- Lori, Investment Centers of America, Inc.

“I would like to take the opportunity to thank you and your group of professional staff for a job well done at our recent board meeting held in Denver on May 7, 2007.

We had a great meeting/dinner and the atmosphere at Restaurant Kevin Taylor was a very relaxed one. It would not have been possible without your team of dedicated staff members. Our staff was very impressed with the level of professionalism exhibited by your staff members at Restaurant Kevin Taylor. We appreciate your warm welcome. The food was excellent and customer service was outstanding, especially from the waiters. Thanks again for giving us the opportunity to host our meeting at the Restaurant Kevin Taylor, and thank you for a job well done.”

- Maxine, International Board of Heart Rhythm Examiners

“Thank you so much for all of your help in putting together such a great event. I heard that everything went smoothly and the meeting was a great success. It is always hard to plan events remotely, so it is much appreciated to have such a fantastic staff to work with on site that makes sure that everything is done perfectly.”

“Thank you so much for all of your help with the tea. It was a wonderful event and people definitely enjoyed themselves. When arriving, I must say your staff was very helpful at making sure I had everything I needed and all was set up correctly. It is a beautiful location and all members of your staff were wonderful to work with. I know that we will use your location again in the future.”

- Laura, The Adoption Exchange

“The dinner, the service, the ambiance, the table and wine cellar was better than I could have imagined!!! Everyone who attended mentioned the beautiful location, dinner, and service. I was very glad Pat and I were able to sample the appetizers!!! They were exceptional--especially the crab cakes. Pat was very surprised and did not have a clue! The hostess at the front handled the surprise wonderfully. After confirming there was four for dinner; she matter-of-factly stated, "we have you seated in the wine cellar this evening." The two servers dedicated to the event were outstanding--they did a great job in ensuring that everyone was taken care of and had everything they needed.

I would say the "best dinner" of the evening seemed to be the seared tuna. Please thank your pastry chef for the beautiful birthday cake. It was exactly what I had wanted--not too over the top.

THANK YOU AGAIN for all your help with putting together the party. Pat really loved having all his friends together and we could not have picked a better place to celebrate his 50th birthday party.”

- Ellen

“Can't thank you both enough! We had a fantastic time - and Dr. Goodall was so enjoying it all. She was very happy about having the room to go and freshen up and all between the conversation and the dinner. It was very late when we got her on the road to Fort Collins. Thanks so much again, loved working with you.”

- Auli, Colorado State University

“Everything was wonderful yesterday. The room looked great and everyone seemed to really enjoy the food. Service was also exceptional, as always. Thank you again, and I hope to plan many more events there in the future.”

“Thanks so much for all your assistance in making our events so nice. All of our meeting room needs were met and the staff was great. Additionally, our dinner at Restaurant Kevin Taylor was superb. Everyone enjoyed the meal, the wine pairings, and especially the service. Toby was magnificent! I have a feeling Denver will definitely be a place we seek out in the future for meetings of this type, and if the opportunity presents itself, I'm sure we'll be back to Hotel Teatro!

- Cassie, LWCC

- Christine

“The meeting was great and the food and customer service was absolutely amazing!! You all are truly the best hotel I have EVER worked with. I am still getting compliments on how great you all are. We will definitely use you again and I will definitely tell all my counterparts about our wonderful experience. We have worked with so many venues and you are by far the best, it was so nice to see such GREAT customer service.

Thank you so much!!!”

- Crystal, Verizon

“Eric and the staff did a fantastic job of making breakfast happen for way too many people. I think the snow delay and the fact that I didn’t know who was coming was the trickiest. They did a great job. There was one guy who complained about coffee service being slow, but I explained to him that we had 20 more people than we had guaranteed for so they were running to catch up and to leave them alone.”

- Natalie

“Everything went splendidly from our perspective. The food and wine pairings were superb, and the hospitality was wonderful. I look forward to another meal and/or event at the restaurant.”

- Steve

“Last night went very well...our new CEO was in attendance and loved the food; Always a good thing.”

- David

“We had a great time and the staff and food were both amazing. Loved the choice of dessert. You could be healthy and only eat the fruit, or you could eat the entire thing. Most chose the later.”

- Carrie

“It was definitely an evening and birthday to remember. The menu was fantastic, the food was delicious, and I believe everyone enjoyed their selections. Thank you so much for your help, Kim. I did have a fantastic night, and I will always have those memories to look back on. I appreciate everything. Thanks again!”

- Jocelyn

“Thank you very much for all of your services this past couple of days. The service was excellent and our guests had nothing but nice things to say about Hotel Teatro. Thank you for faxing over the receipts so promptly, I appreciate it. I know we will be having another dinner there at the end of April so I am sure I will be talking with you soon.”

- Amy

“My colleague and I had dinner at your restaurant. We both agreed it was one of the best meals we have had in a long time; our compliments to the chef.

Our waiter was Toby, an excellent knowledge of wine and fine food.”

- Chris

“I wanted to extend my sincerest gratitude to you and your incredible staff at Restaurant Kevin Taylor last night. Our Visa Signature guests had a great time and rated the evening a 10/10. They rated Kevin Arndt highly for his explanation of the wines and enjoyed meeting Chef Kevin Taylor. Mark and Stacy were some of the best and most proactive and responsive servers I have seen at any of the events we put on nationwide this week. Bravo.”

- Rachel, Rise to the Occasion

“I just wanted to thank you for all of your help in setting up the dinner we had on the mezzanine on Monday night. It was absolutely perfect and could not have gone better. Thanks for taking care of us! Toby was our chief waiter and could not have been better. His knowledge of the menu was not only encyclopedic and helpful but he was very discrete in managing to take our orders without disrupting conversation. So thanks again for all you help, and our warmest commendations to Toby. I look forward to working with you again in the future when we have our next VIP in town.”

- Marc, Bathgate Capital Partners, LLC

“Just wanted to thank you again for the lovely evening! The meal was FABULOUS! And everyone, and I mean ALL the guys in the office, came up to me and said that the party was great, the food was wonderful, the service impeccable and yet unobtrusive, and that they had a great time. Please give our sincere appreciation and thanks to the chef! Some of our guests are multi-millionaires and have traveled the world, and when that kind of individual is impressed, you KNOW you did a great job!!”

- Kathie, Kodiak Oil & Gas CORP.

“Thanks so much for a lovely evening at the Kevin Taylor Mezzanine. The appetizers and cocktails in the parlor was a lovely beginning. The food and wine pairings were exceptionally good and my guest loved it all!

- Dina

“I am writing to tell you how wonderful our rehearsal dinner was this past Saturday. What a pleasure it was to work with you and the staff. Everyone was so pleasant, accommodation and gracious. Dinner was delicious, and I got lots of compliments. The hors d’oeuvres and wine were also delicious. Thank you for making our dinner such a great experience! Please don’t hesitate to give my name as a reference”.
